**September is
Childhood Cancer Awareness
Month!!**

Please join the Zone One Optimist Clubs of Optimist International AL-MS District throughout the month of September as we help make a difference in children's lives and help find a cure for childhood cancer. Due to the continued need for social distancing, this year's event will be virtual. We appreciate your support of this event and our work benefiting youth in the community!

Participants are encouraged to walk at your convenience any time during the month of September and to send a picture of yourself, along with any family members &/or pets walking with you, to Norma Stewart at normacstewart@yahoo.com. Please include the names of those walking with you if you would like to have them included in a post on our Zone 1 Optimists Facebook page!
